

**Tennessee**  
*Pledge*

# This business has taken the Tennessee *Pledge*.

We're committed to protecting the health  
of the customers we serve.

We check  
temperatures and  
screen for symptoms.

We wear face coverings  
and we encourage  
customers to do the same.

We practice social  
distancing as much as  
possible and want  
customers to do the same.

We increased hygiene  
practices by washing hands  
more frequently and avoid  
touching our faces.

Working together, we can slow the spread of COVID-19  
while protecting the livelihoods of all Tennesseans.
